# HEADQUARTERS PENNSYLVANIA NATIONAL GUARD, THE ADJUTANT GENERAL'S OFFICE,

Harrisburg, Pa., *January 3, 1924.*

General Orders, }  
No. 1. }

1. The organizations of the Pennsylvania National Guard will be assembled in their respective armories for Federal inspection required by Paragraph 93, N. D. A., and Paragraphs 522 to 529, inclusive, N. G. R., 1922, on the dates indicated below.
2. The Commanding General, 28th Division, is directed to present the various organizations of the Pennsylvania National Guard for Federal inspection on the dates mentioned herein.
3. In accordance with Act of Assembly an inspection by National Guard officers will be made. This inspection will be concurrent with the Federal inspection, but will in no way interfere with or delay the Federal inspection, nor will the National Guard inspection under any conditions take precedence over the Federal inspection. The Commanding General, 28th Division, is directed to detail National Guard officers for this inspection. Transportation is authorized, and where officers are not permanently employed, or where such inspection will not accrue to their credit for armory drills, per diem pay will be allowed. Care will be exercised to make these details in such a manner as to require the least expenditure of funds.
4. The Commanding General, 28th Division, will prepare blank forms for the State inspection and will advise inspectors as to the requirements of the inspection.
5. Regimental Commanders will arrange for the presence of at least one field or staff officer at each inspection and require remarks and criticisms from such officers. State transportation will be used wherever necessary for this purpose, but schedules should be so arranged as to require a minimum amount of transportation. Regimental Commanders will consolidate such comments and criticisms and forward them through channels to the Division Commander. The criticisms relating to strength of organization, condition, care of equipment, missing equipment or excess equipment will be forwarded by the Division Commander to this office.

## FORT MONROE, VIRGINIA.

August 16th to 30th, inclusive, 1924:

Where practicable, all organizations named in this order, except the advance detachments, will leave their home stations on dates specified as the first day of their encampment, and all organizations, except the rear detachments, will leave camp so as to arrive at their home stations on the dates of the expiration of the encampment period in each case.

II. ADVANCE AND REAR DETACHMENTS.—When there is urgent need of sending an advance detail to prepare camp, or for leaving a detail behind to close it, the following will be authorized and cannot be exceeded:

(1) For regimental or similar organizations, the Service Company, less the Band Section, or, in lieu thereof, one officer for each battalion, and three enlisted men for each Company, or similar organization.

(2) One officer and three enlisted men for each separate company or similar unit.

(3) The above details may be used for not to exceed two days in advance of and two days after the close of camp. These days are additional and are not a part of the encampment periods specified in Section 1 of this order.

III. STRENGTH REQUIREMENTS AND PAY AND ALLOWANCES FOR FIELD TRAINING.—Particular attention is invited to the requirements of Paragraphs 110 and 932, National Guard Regulations, 1922, as changed by Changes Nos. 3 and 4, respectively, which will govern. Any units not conforming with these requirements will not attend camp.

Pay at Army rates according to the Act of Congress, approved June 10, 1922, without increase for length of service, and without commutation of quarters for officers without dependents, is authorized for the periods specified in Section I of this order. (Dependents includes a wife, minor children, or a mother).

Officers claiming rental allowances will be required to furnish a certificate in duplicate that their dependents were not occupying public quarters during the period for which the pay is claimed. Blank forms for this purpose will be furnished by the U. S. Property and Disbursing Officer at the encampments and will be submitted with the Federal pay roll.

Regimental or similar organization commanders will be furnished by the U. S. Property and Disbursing Officer with blank forms for distribution prior to encampments to officers for use

of dependent mothers, so that they may be prepared before leaving home stations and attached to the Federal pay roll on which the claim is presented.

IV. DESIGNATION OF CAMP COMMANDER, AT MOUNT GRETNA.—Major General *William G. Price, Jr.*, is designated Camp Commander, at Mount Gretna, and will issue such orders as may be necessary to carry these orders into effect, and will make all necessary arrangements for program of instruction and issue all orders pertaining to the discipline and training of the various organizations during their tour of field duty.

V. REQUISITIONS FOR CLOTHING AND EQUIPMENT.—It is important that all requisitions for clothing and equipment necessary to properly clothe the men and equip the organization for field training be submitted on Form Q. M. C. No. 160, in duplicate, to the U. S. Property and Disbursing Officer, State Arsenal, Harrisburg, at least thirty (30) days prior to the beginning of the encampment periods, in order that delivery may be definitely assured.

When requisitions are made for property to replace articles which have become unserviceable through fair wear and tear in the public service, the unserviceable property must be shipped to the State Arsenal by freight, on Government Bill of Lading, to be furnished by the U. S. Property and Disbursing Officer. Commanding Officers, when requesting bills of lading, will state the number of boxes, bundles, or packages, and furnish a list showing the contents and weights of each item.

A certificate, in sextuplicate, to cover unserviceable property, showing the quantities and names of articles, and stating the length of time the property was in use, and that it was worn out through fair wear and tear in the public service, must accompany the shipping ticket, in triplicate, and the replacement requisition, in duplicate.

Shipping ticket, in triplicate, with an expenditure certificate thereon, to cover medicines and surgical dressing consumed during the year, must accompany the requisition, in duplicate, for medicines and surgical dressings for replenishing medical and surgical chests. Surgical instruments and appliances which have been lost or become unserviceable will be made the subject of a report of survey, as no replenishment requisition can be authorized other than by survey. This provision also applies to veterinary supplies, instruments and appliances.

Surplus property in possession of an organization will be returned to the State Arsenal, Harrisburg, prior to the encampments. No surplus or unserviceable property will be taken to the encampments for exchange.

VI. PREPARATION OF CAMP SITE, at Mount Gretna.—Captain *William L. Hicks*, Superintendent, State Military Reservation, will prepare the Military Reservation for the encampment, and will make all necessary arrangements for the supply of motor and wagon transportation during the tour of field duty to the Motor Transport Officer in charge of the Motor Park.

VII. DESIGNATION OF MOTOR TRANSPORT OFFICER, at Mount Gretna.—Major *George P. Drake*, Commanding 28th Division Train, is designated as Motor Transport Officer, at Mount Gretna, and will be in charge of the Motor Park and all motor and wagon transportation for the period of the encampment.

VIII. CAMP SUPPLIES.—Major *Leo A. Luttringer*, U. S. Property and Disbursing Officer, will arrange all contracts for the furnishing of necessary subsistence stores, forage, ice, wood, motor oil, gasoline, grease and other supplies, and for the issuing thereof and the accounting therefor at the encampments at Mount Gretna and Tobyhanna.

IX. TRANSPORTATION.—The U. S. Property and Disbursing Officer will make the necessary arrangements for transportation by rail or water, or both, of all troops to the designated places of encampment and return to home stations, and will furnish each commanding officer with a train schedule governing the movement of his command. U. S. Government Transportation Requests will be used. The travel directed is necessary in the military service.

U. S. Government Bills of Lading to cover all shipments of animals, equipment and material to encampments and return to home stations, will be furnished organization commanders by the U. S. Property and Disbursing Officer. Request therefor need not be made. Commercial or State Bills of Lading will not be used in connection with any movements of troops to or from the encampments.

Complete instructions as to methods of using U. S. Government Transportation Requests and Bills of Lading will be furnished by the U. S. Property and Disbursing Officer when these forms are issued. Strict adherence to these instructions without any deviation in any manner or for any reason is absolutely necessary.

X. COMMUTATION OF RATIONS EN ROUTE TO CAMPS.—It being impracticable to furnish rations in kind for the journeys to the several camps, an allowance, as provided by Paragraph 629, National Guard Regulations, 1922, of \$1.20 per day, or proportionate fractional part thereof, for cooked meals for each enlisted man, while traveling to the several camps, is authorized when such travel is performed and extends over regular meal hours. No allowance will accrue when the travel is performed between regular meal hours.

Attention is invited to Paragraph 8-a(2), Army Regulations No. 35-4520, which refers to the method of computing rations while on a travel status, as follows:

- (a) The day will be considered as beginning at midnight.
- (b) For 18 hours or over in a travel status—one whole day.
- (c) For 12 hours or over, but less than 18 hours, in a travel status—two-thirds of one day.
- (d) For less than 12 hours in a travel status—one-third of one day.
- (e) No allowance will be paid for the first day of a journey which begins after 6 p. m.

Unit commanders will submit receipted bills, in duplicate, for the amounts expended under this authority, together with a certificate, in duplicate, showing the number of men making the journey, hour of leaving home station, hour of arrival at camp, and number of meals purchased, to the U. S. Property and Disbursing Officer, who will make refund of the amount actually expended, but in no instance to exceed forty (.40) cents per meal.

A copy of the certificate referred to, showing the number of meals purchased and for which refund is to be claimed, will be furnished by the unit commander to the regimental adjutant,

who will divide the number of meals purchased en route during the first day of the camp period by three, and the result, representing the number of rations, will be deducted from the ration return, and the supply officer will reduce the rations issued in kind accordingly.

**XI. REPORT OF ABSENTEES.**—The commanding officer of each company, troop, battery, or detachment, will determine, prior to leaving home station for camp, the cause of absence of any member or members of his command, and immediately after arrival in camp will submit to the regimental or separate battalion commander, for transmission to the instructor assigned to duty with the organization, a detailed list of absentees, showing the cause of absence in each case.

**XII. SUBSISTENCE.**—Rations in kind will be furnished for the periods specified in Section I of this order by the U. S. Property and Disbursing Officer for the encampments at Mount Gretna and Tobyhanna, and will be issued for five day periods, with the exception of perishable articles which will be issued daily.

Preliminary ration returns on Form P. & S. No. 223 for the first five day period for regimental or similar organizations, including rations for two days for advance detachments, properly signed by the Adjutant, and approved by the Commanding Officer, will be presented to the Subsistence Supply Officer at the camp by the commanding officer of the advance detachment, so that rations may be regularly issued for use by advance detachments and be available upon the arrival of the organization at the encampment.

Any rations issued during the first five day period in excess of or under the actual strength of an organization will be adjusted on the ration return presented for the second five day period.

Any rations for which commutation is claimed under Section X of this order will be deducted from the ration return of the organization for the second five day period.

Rations will be obtained by the Supply Officer of the 213th Artillery (A. A.), at Fort Monroe, Virginia, by purchase from the Post Quartermaster or elsewhere, and must not exceed fifty (.50) cents per man per day. Properly certified bills, in triplicate, of the person, firm or corporation furnishing the supplies, with certificate of receipt by the purchasing officer stating purchase was made for immediate consumption and for the enlisted men of the 213th Artillery (A. A.), will be forwarded to the U. S. Property and Disbursing Officer for settlement. This arrangement as to certified bills applies to regular camp supplies required and purchased by the 213th Artillery (A. A.) for the U. S. Property and Disbursing Officer.

**XIII. PREPARATION OF PAY ROLLS.**—Federal and State pay rolls will be completed and administered in the following manner:

(a) Five copies (one original and four carbons) of pay rolls will be accomplished on Forms W. D. Nos. 378 and 378a, which will be furnished by the U. S. Property and Disbursing Officer at the encampments. No other form will be accepted. All carbon copies must be clear and legible.

(b) The original and first carbon copy will be signed by each officer and enlisted man, and the second carbon copy will have all names typewritten in the spaces provided for signatures as to receipt of pay.

(c) Page 1, of Form W. D. No. 378, must have the certificate signed and oath completed on all copies.

(d) A statement showing service in detail of each enlisted man claiming service pay under Section 32, Act of Assembly, approved May 17, 1921, will be rendered, in duplicate, on Form A. G. O. Pa. No. 4. These statements will be attached to the first and third carbon copies of the pay roll.

(e) Immediately after muster of the unit, all copies of the pay roll will be submitted to the U. S. Property and Disbursing Officer, who will enter thereon the amount of U. S. Pay due each officer and enlisted man, and will transmit the first and third carbon copies to The Adjutant General.

(f) The Adjutant General will cause to be entered thereon the amount of State Pay due, i. e., the difference between U. S. Pay, and State Pay, including pay for specialists rating, together with service pay, if claimed, due each enlisted man.

(g) One copy, showing the amounts of U. S. Pay due, will be returned by the U. S. Property and Disbursing Officer to the unit commander.

(h) One copy, showing the amounts of State Pay due, will be returned by The Adjutant General to the unit commander, together with check of the State Treasurer for the total amount of State Pay due on the pay roll.

(Enlistment and physical examination papers for each enlisted man whose name appears on the pay roll of a unit must be on file in The Adjutant General's Office, otherwise payment of both Federal and State Pay will be withheld until all papers are received.)

XIV. ACCIDENTS.—All accidents resulting in personal injuries of any material nature will be promptly reported to The Adjutant General, who will furnish blank form of Employer's Report of Accident to Employee for accomplishment in duplicate. This report must be mailed so as to reach The Adjutant General not later than the tenth day of disability. Compensation will be allowed under the provisions of the Workmen's Compensation Act of 1915 to all enlisted men injured in line of duty.

XV. HOSPITALIZATION.—Only such cases as require medical or surgical treatment of a nature that cannot be administered or performed at the encampments will be sent to civilian hospitals for treatment. This action will be taken only on the recommendation of the Division Surgeon, or, in the absence of the Division Surgeon, on the recommendation of the senior Medical Corps Officer of the regiment or similar organization. Report of hospitalization in civilian institutions will be made immediately to the Adjutant General by the officer authorizing same, and will state the name, rank or grade, and organization of the officer or enlisted man so cared for, and the cause for hospitalization. In case of extraordinary emergency Mount Gretna cases will be sent to the Good Samaritan Hospital, at Lebanon, and in cases less urgent they will be sent to the Lancaster General Hospital, at Lancaster. Tobyhanna cases will be sent to the State Hospital of the Northern Anthracite Coal Region, at Scranton.

XVI. ANNUAL PHYSICAL EXAMINATION OF OFFICERS.—The Camp Commander, at Mount Gretna, will arrange, through the Medical Corps, for the completion of the annual physical examination of all officers who have not been examined subsequent to December 31, 1923. Form M. B. No. 95 will be used and one copy only is required. These examinations will

be completed at such times as will not interfere with the training program. All examinations will be passed upon as to their completeness according to existing regulations by the Division Surgeon before forwarding to The Adjutant General.

The Commanding General, 53rd Field Artillery Brigade, will similarly arrange for the annual physical examinations of officers at Tobyhanna, and the Commanding Officer, 213th Artillery (A. A.), for officers at Fort Monroe.

XVII. FIELD TRAINING—PENNSYLVANIA NATIONAL GUARD RESERVE.—Officers of the Pennsylvania National Guard Reserve desiring to attend encampments as provided in Paragraph 191, National Guard Regulations, 1922, should make application at once to The Adjutant General, State Capitol, Harrisburg, in accordance with Paragraph 2, Circular Letter No. 3, Militia Bureau, *c. s.* Attendance will only be authorized provided sufficient Federal funds are available under the 1925 Appropriation Act.

General Orders. }  
No. 10. }

I. The following information relative to the Annual Allowance of State moneys to the various headquarters and organizations of the Pennsylvania National Guard, as per Act of Assembly approved May 17, 1921, as amended May 16, 1923, and the method of accounting for same, is herewith published for the guidance of all concerned.

WHEN ACCOUNTING IS TO BE MADE.

The reports will be forwarded to The Adjutant-General by accounting officers *between June 1st and June 15th, 1924, and will cover the fiscal year ending May 31, 1924. The Report of Armory Rent will be made on Form No. 6, A. G. O., and the Report of Annual Allowance on Form No. 5, A. G. O., and disbursements as credits on said reports to be made on Form No. 40, A. G. O.* The specific instructions contained upon the blank forms of report must be strictly complied with. The Annual Allowance Report will be filed by all Commanding Officers who have received Annual Allowance moneys, and the Armory Rent Report will only be filed by such accounting officers as may have received Armory Rent Allowance.

ANNUAL ALLOWANCE TO VARIOUS HEADQUARTERS.

Section 38, Act of Assembly approved May 17, 1921, as amended May 16, 1923, provides:

"Section 38. The necessary military expenses of general, division, brigade, regimental, and separate battalion headquarters, including clerk hire and other actual outlays, shall be paid by the Adjutant General, in the usual manner, on the usual lawful vouchers to that effect, duly sworn to or affirmed to by the commanding officer or the officer charged with the payment of the same; such expenses in no event to exceed four thou-

sand dollars (\$4,000) per annum for the division, five hundred (\$500) dollars for each brigade headquarters, *fifteen hundred dollars (\$1,500) for each regimental headquarters, five hundred dollars (\$500) for each battalion headquarters and headquarters of trains.*'

An arbitrary reduction of 20 per cent. was made by direction of the Governor on all annual allowances to various headquarters and units.

The law fixes the maximum amount that can be expended during the fiscal year, and for which reimbursement can be claimed or made.

If less than the maximum amount be expended reimbursement will be made only for amount expended.

The Commanding Officer at each headquarters will render the account showing to whom, when, and for what purpose expenditures have been made, and file with the account duly receipted bills as sub-vouchers.

Blank Form No. 5, A. G. O. (Annual Allowance report), will be used for rendering account.

#### ANNUAL ALLOWANCE TO COMPANIES OF INFANTRY, BATTERIES OF ARTILLERY, TROOPS OF CAVALRY, ENGINEER COMPANIES, SIGNAL TROOPS, ETC.

Section 34, Act of Assembly approved May 17, 1921, as amended May 16, 1923, provides:

"Organization of the Pennsylvania National Guard found, upon examination of the reports made by an inspecting officer duly detailed for that purpose, to be up to the standard required in strength, drill, discipline, and efficiency, shall receive in annual allowance the following money per annum, which shall be used and expended solely for military purposes, and for the use and benefit of the organization: For dismounted troops, at the rate of ten dollars (\$10) per man per year: Provided, That no organization shall receive less than a minimum sum of five hundred dollars or more than a maximum sum of *seven hundred and fifty dollars per year*; for mounted or motorized troops, at the rate of fifteen dollars (\$15) per man per year: Provided, That no such mounted or motorized organization shall receive less per year than a minimum sum of seven hundred and fifty dollars and more than a maximum sum of one thousand dollars per year. Such allowances shall be computed by the Adjutant General from the strength of the unit as reported on May thirty-first of each year. Newly organized units shall receive a pro rata share of

the above-named allowance for the portion of the fiscal year in which they are in service: Provided, That such allowance be based on the actual strength of the organization at the time of its entrance into the service; the said allowance to be paid by the Adjutant General in the usual manner to the commanding officer of the respective organization; but it shall be the duty of the Adjutant General, before paying any of the said allowance in money, to procure, by purchase or otherwise, and issue for each enlisted man not already provided therewith, such articles of dress uniform and such articles of service uniform and equipment as are required for field service, and also such mess tents, kitchen tents, and military stores required by the respective organizations, not furnished and paid for out of Federal funds, and charge the cost of same to the said annual allowance; and the balance, if any, to be paid and disbursed as hereinafter provided: Provided however, That any regiment, battalion, squadron or company may, at its own expense, provide itself with other uniforms of such style and pattern as a majority of its officers may select and the Governor as Commander-in-Chief approve, which uniform shall be the property of the organization or the individual members thereof. No portion of any allowance made by the State to any organization shall be expended in procuring such special uniforms or in repairing or caring for the same. No part of the annual allowances paid under the provisions of this act to the several organizations of the Pennsylvania National Guard shall be used in the purchase, erection, or construction of any armory, unless the title thereto be vested in the Commonwealth. The commanding officer of each organization shall, at such time as the Governor as Commander-in-Chief may direct, make a return to the Adjutant General, containing an itemized account and statement of all disbursements of the money appropriated and paid to said organization and not previously accounted for, which account and statement shall be verified by the proper original vouchers for such disbursements; this accounting to be made under and in accordance with such regulations as may be prescribed by the Commander-in-Chief."

#### ARMY RENT ALLOWANCE.

Section 36, Act of Assembly approved May 17, 1921, provides:

"The commanding officer of each organization, excepting division, brigade, regimental, squadron, or battalion headquarters, in addition to annual allowances provided for herein, and under

the same requirements, and not occupying an armory owned by the Commonwealth, shall be paid an annual allowance of two hundred dollars (\$200) by the Adjutant General in the usual manner; said annual allowance to be devoted exclusively to the payment of rent of armory."

PENALTY FOR EMBEZZLING, MISAPPLYING, OR IMPROPERLY RETAINING POSSESSION OF  
STATE MONEY.

Section 39, Act of Assembly approved May 17, 1921, provides:

"Any commissioned officer or enlisted man of the Pennsylvania National Guard who shall embezzle, misapply, or convert to his own use, without authority, any moneys received by or entrusted to him for disbursement, shall be deemed guilty of a misdemeanor, and, on conviction, shall be sentenced as for other like offenses under the penal code of this State."

II. The fiscal year for organizations of the Pennsylvania National Guard, and to which Annual Allowances apply, ends on May 31st of each calendar year, and reports accounting for allowances must be filed in The Adjutant-General's Office not later than June 15th.

Reports of Annual Allowance and Armory Rent must be made in June of each year.

Commanding officers of companies of infantry, troops of cavalry, batteries of artillery, engineer companies, etc., will forward reports through Regimental Headquarters, and thence direct to The Adjutant-General.

Commanding officers of Signal Troops, Truck Companies and Special Troops will forward reports through immediate Headquarters, and thence direct to The Adjutant-General.

Commanding officers at Headquarters through which reports are forwarded will carefully examine same, see that all vouchers submitted are properly and fully accomplished, and will familiarize themselves with financial condition of the respective organizations, and the character of expenditures for which vouchers are filed.

III. Accounting Officers will observe the following:

- a. Disbursements for which credit is taken must be supported by *original itemized vouchers duly receipted as required by form of voucher issued from The Adjutant-General's Office.*

Duplicate vouchers must be filed with the retained copy of the report.

- b. Articles or stores purchased from State moneys, and not expendable in character, will be charged to State property account of the organization in The Adjutant-General's Office and accounting officer so advised.
- c. Expenditures made from Annual Allowance account for subsistence in camp, except in case of subsistence provided for advance details detailed to erect camp, will not be approved.
- d. Expenditures from Annual Allowance account for Armory Rent, in cases where the rent paid exceeds the Armory Rent Allowance from the State, will only be approved when permission has been specifically given by The Adjutant-General's Office, and when so given the fact must be noted on the voucher, giving date of permission, *and must in each instance show period for which Armory Rent is paid.*
- e. Commutation for Rifle Practice where claimed and allowed by The Adjutant-General and paid by the State Treasurer, will be accounted for the same as Annual Allowance money, the warrant voucher being taken up and charged on the debit side of the report of annual allowance (Form No. 5, A. G. O.) and disbursed in the same way as Annual Allowance money. In other words, Rifle Practice commutation although paid on account of rifle practice qualification, should be treated as additional Annual Allowance and used to augment the annual allowance account.
- f. In cases where accounting officers have received any balances of State funds from their predecessors in office, either direct or through The Adjutant-General, or from the Adjutant-General in settlement by sureties on bonds of delinquent accounting officers, the same will be taken up on the debit side of Financial Report, stating clearly amount, and when and from what source received.
- g. Armory Rent Allowance can only be used in payment of Armory Rent, and for no other purpose. Leases for armories may include in the rent of armory, heat and light, and where such items are included they may be paid from Armory Rent Allowance. *Vouchers filed covering payment of Armory Rent must show period for which payment is made.*
- h. In cases where a commanding officer has paid assessments for expenses in camp, or on account of expenses of regimental rifle team, or for use of regimental band, or otherwise, a statement showing in detail all receipts and expenditures must be fur-

nished to each officer paying such assessment, by the officer to whom the assessment is paid and who disburses same. The statement so furnished will be filed with the vouchers as supplemental thereto. Vouchers for assessments unaccompanied by statement will be disapproved.

- i. *In cases where an accounting officer files a voucher covering payment to himself for sundry expenditures, sub-vouchers supporting such expenditures must be filed with the voucher.*
- j. All vouchers must be fully itemized, and made as self-explanatory as possible.
- k. Accounting officers are prohibited from keeping any State funds in a *personal account, or from depositing personal or other funds that are not State funds in any account in which State funds are deposited.* Except where State funds are deposited with a regimental treasurer, properly bonded, accounting officer must open an account in their official designation and with a reliable trust company or bank, and no checks are to be drawn against such an account *except for proper military purposes.*

IV. Reports received will be audited promptly by the Adjutant-General, and if found to be correct and are approved, a warrant will be drawn later in the year upon the State Treasurer to the order of the proper accounting officer for the first half of annual allowance for fiscal year ending May 31, 1925.

V. State Treasurer's checks were transmitted to all organizations covering practically one-half the Annual Allowance due for the fiscal year ending May 31, 1924; the balance of the Annual Allowance for the same fiscal year less charges and arbitrary reduction of 20 per cent directed by Governor, will be paid if possible during May, 1924. Any delay however must not interfere with the filing of financial reports, which will only account for funds actually received to May 31, 1924. The balance of the Annual Allowance, when received, will be accounted for on report to be filed for the fiscal year ending May 31, 1925.

VI. Blank forms on which reports are to be made will be sent direct from The Adjutant-General's Office to accounting officers on or before May 31st, 1924.

By order of GIFFORD PINCHOT,  
*Governor and Commander-in-Chief.*

**SELECTION OF ENLISTED MEN OF NATIONAL GUARD FOR APPOINTMENT TO UNITED STATES MILITARY ACADEMY.**—Under the regulations for the selection of enlisted men of the National Guard for appointment to the United States Military Academy, and pursuant to authority contained in letter of The Adjutant General, War Department, dated August 22, 1924, (A. G. 351.11 West Point), there has been allotted to the Governor of Pennsylvania the selection of nine candidates from the enlistee men of the Pennsylvania National Guard.

1. Selection will be made according to the order of merit established in a preliminary examination to be conducted by The Adjutant General, which will be held in the House of Representatives, State Capitol, at Harrisburg, Pa., between November 1st and 15th, 1924. The candidates so selected will be authorized by the War Department to report for the regular entrance examination, which is scheduled to be held, beginning on March 3, 1925, and the appointments will be available on July 1, 1925.

2. To be eligible for appointment from the National Guard the applicant must be an enlisted man of a unit recognized by the Federal Government. He must, on the date of admission, July 1, 1925, have served as an enlisted man, not less than one year, must be between the ages of nineteen and twenty-two years, must be not less than five feet four inches in height, and must be unmarried. The age and service regulations are statutory, and cannot be waived or modified, but it is not essential that the service be continuous, so that former service in the National Guard may be counted in determining the applicant's eligibility.

3. Enlisted men who desire to take the preliminary examination will forward their applications, requesting permission to do so, through military channels, to The Adjutant General, State Capitol, Harrisburg, Pa., stating therein date of birth, statement of military service, date of present enlistment, organization in which enlisted and educational qualifications. Unless the applicant has a high school education, or its equivalent, the application will not be considered. Commanding Officers, when approving applications, will furnish a statement as to the moral character and military conduct of the applicant. Applications must be accompanied by a certificate from a Medical Officer of the National Guard, stating that the applicant is physically qualified, according to the regulations of the War Department, for entrance to the United States Military Academy.

4. Applicants will be advised direct by The Adjutant General of the exact date on which the preliminary examination will be held.

5. Transportation and personal expenses of the applicants reporting for the preliminary examination must be paid by themselves.
